ATTITUDINAL AWARENESS SURVEY 1

Spend a few minutes filling out The Welcome Directory Attitudinal Awareness Survey. Your responses are anonymous and will help us work towards a rehabilitative society. Note that on the reverse side is another survey that we hope you will fill out at the end of session three. Please keep them safe and hand to the facilitator at the end to return to The Welcome Directory. Thank you!

If someone who has left prison came to your faith community would you…

1 2 3 4 5 6 7

accept them — keep your distance

If someone who had left prison told you their story would you…

1 2 3 4 5 6 7

be sceptical — *seek to understand*

In your heart of hearts how do you feel towards people with a criminal past…

1 2 3 4 5 6 7

impartial — *judgemental*

If someone who had left prison and sought your help would you…

1 2 3 4 5 6 7

point them in the direction of others — *offer care and support*

If someone who had left prison sought your friendship would you…

1 2 3 4 5 6 7

be open to being a friend — *keep them at arms length*

If someone told you that they had been to prison would you allow that information…

1 2 3 4 5 6 7

be left in the past — *influence the present*

Complete the sentence: *Prison is*

Complete the sentence: *Someone who has left prison*

If someone who has left prison wanted to become a member of your faith community they would…

ATTITUDINAL AWARENESS SURVEY 2

The Welcome Directory is attempting to change attitudes towards people leaving prison. We hope that you have benefited from these three sessions. We can measure our impact in two ways, the number of registrations we have and a change in attitudes. This survey is a way of measuring the second one. Please complete this and return to your facilitator. Thank you!
